

Building Committee Meeting 10/10/07

Present: Joe Fiala, George Malette, Don Burke, Sherry Burdick

Guests: Chip Meany CEO

Special Meeting: to open bids for repair of Town Hall roof.

Opened at 410

Two bids received: Ed Belanger \$38,700 less \$1500 if Weare accepts shingles, Holmz \$19,800.

Burkre discussed that a roofing company was desired. These bids are not roofing specialists.

Meany felt the low bid is underpriced.

Generally felt we needed more bids. Agreed to not rebid at this time, may wait until spring.

Burke moved, Malette 2nd, to reject the bids. All in favor.

All invited to CIP meeting to ask that \$40,000 be put into the 2008 Capital Improvements Program.

Adjourned 4:50
